Gentlemen

I have missed the **date** for CG Docket No. 02-278 regarding comments from telemarketers, but I have sent requested information to both the DMA Mail Preference Service and the DMA Telephone Preference Service.

My husband has been in and out of the hospitals or nursing homes and I have never appreciated calls from telemarketers. Most have been understanding when I ask them to hang up, but I resent that I have to take the time to tell them -- especially when I **am** expecting a call from a doctor or nurse.

We pay our telephone bill so that we may have the service that we want and expect. We believe that anyone calling us trying to solicit anything is **an** absolute invasion of our privacy.

Sincerely

Adolph Ray
